

Career opportunities with  
the leading garage  
equipment company in  
India

Passenger Car Equipment  
Truck and Bus Equipment  
Body Shop Equipment

For over 30 years, bringing  
in the latest technology to  
India (Since 1987)

For over 30 years, Madhus Garage Equipment has been a pioneer in the field, with a vision to bridge the technological gap between advanced countries and India.

Madhus is totally committed in bringing the most advanced, latest and best equipment that facilitate handling of the new generation automobiles in India, which are approved and recommended by the top luxury marques.

Madhus provides customers with the world's best equipment in wheel aligners, wheel balancers, car lifts, welding equipment, collision repair systems, A/C maintenance equipment, smoke meters & gas analysers etc from the world's leading brands like Hunter, Ravaglioli, Texa, Telwin, Rotary, Hanimeson and many more.

That's not all. Madhus provide quality after sales service by employing well trained and knowledgeable technicians.

We also provide training to technicians who use their equipments, at our state-of-the-art training centres in Delhi NCR and Bangalore.

To oversee customer support and provide speedy resolutions, we have a dedicated Customer Service Cell.

Suffice to say, Madhus assures you of one thing - "Global Technology, Local Support".
