**INTERNATIONAL TRADE**  
**TAXATION**  
**INTELLECTUAL PROPERTY**  
**CORPORATE LAWS**

**Founded in 1985, Lakshmikumaran & Sridharan (L&S) is an Indian Law firm specializing in the areas of International Trade, Taxation, Intellectual Property and Corporate Laws.** Our clients include several Fortune 500 companies, Indian industry leaders & groups as well as small & medium enterprises. The firm has eleven offices located across India in New Delhi, Gurgaon, Mumbai, Bangalore, Chennai, Pune, Ahmedabad, Chandigarh, Hyderabad, Kolkata and Allahabad.

A leading and pre-eminent brand name with 34+ years of existence, we have 50 Partners, including 400+ professionals. Our total headcount is around 700, including advocates, chartered accountants, scientists, engineers and support staff. The firm has handled more than 40,000 litigation cases before various fora both in India and abroad including 3,200+ cases before the Supreme Court of India.

The **Intellectual Property Team** serves Indian and global businesses to obtain and enforce intellectual property rights - patents, trademarks, design and copyright by assisting in filing, prosecution, registration, licensing, valuation and defending rights against infringement. The Intellectual Property Team at L&S ensures that some of the most challenging and path-breaking innovations of the client are protected. This team consists of professionals in the fields of science, technology, business, law and commerce.

**Career @ L&S:** A career is often the culmination of years of study and preparation. The present day work environment in a globalised world offers plethora of options that a person may choose from. A career as a professional is perhaps the best synthesis of knowledge, skill and timeless values of ethics and service. Lakshmikumaran & Sridharan offers an ideal growth-oriented environment to people. L&S can help fulfil your professional ambition while you add value to the firm and enrich its expertise and portfolio.

**Work Culture:** Lakshmikumaran & Sridharan (L&S) fosters an environment of openness, innovation, knowledge-sharing and growth, which is why perhaps, students and professionals continue to associate with L&S every year. Our attorneys and professionals believe in mentoring and leading by example, thereby creating a rich pool of knowledge and future leaders within the organization. We emphasize on fair and transparent ways of working that offer growth opportunities to everyone. As a performance-driven law firm we believe that a human chain can unshackle all fetters.
